

GRASS-FED WHEY PROTEIN POWDER

Benefits[†]

- Supports post-meal satiety
- Lean body mass support
- Supports healthy weight management
- Supports healthy glucose metabolism

Highlights

- Whey sourced from cows that graze on pesticide-free, non-GMO grass pastures in New Zealand
- The milking cows are never fed grain and are not subjected to any hormone or antibiotic treatments
- Instantized with sunflower lecithin (soy-free, non-GMO), which helps it dissolve more easily in water and prevents foaming during blending
- This product contains no fructose, sucrose, or artificial sweeteners
- Three flavor options: unflavored, chocolate, or vanilla

Recommended Use

Mix 30 grams (approximately one scoop) in 8 ounces of water or any other beverage per day, or as directed by your health-care practitioner.

Consult with your health-care practitioner about your specific circumstances and any questions you may have about this product.
